SNOW ANGELS

Two of the most acclaimed comics creators of their generation—writer Jeff Lemire and artist Jock—together for the first time in this science-fiction saga set in a brutal world! Milliken and Mae Mae have never left the sprawling settlement known as The Trench—it's all they've ever known. On Milliken's twelfth birthday, their father takes the two girls on an overnight skate down the Trench—a coming-of-age ritual to teach them how to fish the frozen river, how to hunt the wild Trench dogs that wander its frigid banks, and how to give proper thanks to their frozen gods. It's the trip of a lifetime until the girls push beyond the borders of their land! What follows next is an action-packed story of survival, loss, and redemption.

WINDS OF NUMA SERA

In this medieval fantasy epic, ready to seize their fate, four heroes from different walks of life meet with opportunities to rule, rebel, escape, and change. The Empire of Numa Sera holds sovereignty over the continent. But following the untimely death of their Emperor, his twelve-year-old daughter Lelia has inherited the throne. With the young girl in power, the "One True Kingdom" now finds itself vulnerable as other nations seek to overcome its supremacy. Within this kingdom, four individuals will fight to make their own fate—or fall prey to someone else's.

WE HAVE DEMONS

From comic-book superstars Scott Snyder and Greg Capullo (*Batman, Dark Nights: Metal & Death Metal*) comes a new blockbuster series of biblical proportions. Legends have been told of the conflict between angel and demon-kind. Lam Lyle, a woman of science, dismissed these stories as just that—fiction. But when the loss of a loved one leads to the discovery of a hulking, benevolent demon named Gus, Lam realizes that her life is about to undergo a dire new direction.

KEPLER

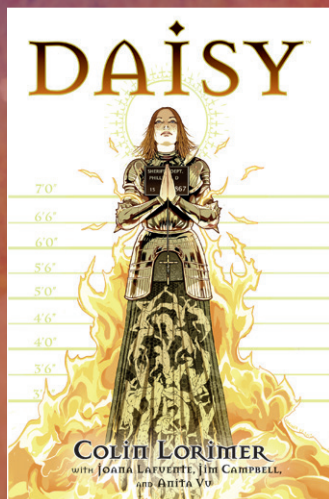

In the tradition of *Planet of the Apes*, *Kepler* is an allegorical thriller of environmental disaster, colonialism, religion, history, and adolescence told through the eyes of a lonely outsider. The graphic novel debut of critically-acclaimed actor, author, and musician David Duchovny! When the Benadem, benevolent space gods, return to KEPLER, a planet where homo sapiens went extinct and all other hominid species thrived, their arrival threatens to plunge the world into chaos.

KALI

From Daniel Freedman and Mondo and DICE artist Robert Sammelin comes an original graphic novel that's a nonstop, high-octane existential action spectacle, perfect for *Mad Max: Fury Road* fans! Stabbed in the back, poisoned, and left for dead by her own biker gang, Kali sets off on a one-way road of vengeance. With impending death coursing through her veins and a fascist army hot on her tail, Kali will stop at nothing to get her revenge, even if it's the last thing she ever does.

DAISY

A graphic novel masterpiece of modern horror, Colin Lorimer's *Daisy* springs from the apocalyptic Book of Enoch, excluded from biblical canon and disclosing the war of angels and Man's introduction to violence and corruption. A desperate mother's search for her missing son leads to the family of Daisy Phillips. Like many teens, Daisy has a hard time fitting in, but for atypical reasons: Daisy stands over eight feet tall and believes herself descended from cannibalistic giants spawned from the outcasts of Heaven.

MOTHERBRIDGE: SEEDS OF CHANGE

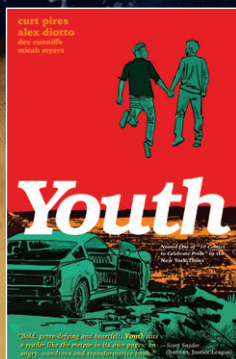

From the Sunday Times-bestselling creator of *Newbury & Hobbes* and author of numerous comics and novels for *Star Wars* and *Doctor Who* comes an epic modern fantasy, rich in mythology and adventure, with an emotional personal story at its heart. In the aftermath of a failed utopia, an exiled woman fights to be reunited with her children by harnessing the mythic power that changed the planet forever.
